

# Vision Coverage to See You through Retirement

Whether you've recently retired or are realizing your health plan doesn't meet your vision care needs, VSP® Individual Vision Plans have you covered.

## Retirees Switching Plans

Transitioning from an employer-sponsored plan doesn't have to mean giving up your vision coverage or your VSP network doctor. When you enroll in a VSP Individual Vision Plan, you can get the affordable coverage you need that's similar to what you had through your employer.

## Original Medicare Members

If you've noticed your plan doesn't cover routine eye exams and materials like frames, lenses, and contacts, you're not alone—many Medicare plans don't.<sup>1</sup> With a VSP Individual Vision Plan, you can enhance your coverage and get back to quality eye care and eyewear at low out-of-pocket costs.
